A Contemporary Family Home in the Heart of Hove

This completely transformed and expertly remodelled home sits proudly on Tudor Close, a peaceful yet highly convenient residential location within Hove. From the moment you arrive, the crisp and contemporary façade, landscaped front garden and off-road parking for two cars immediately set the tone for what's inside.

Step through the front door and you are greeted by a light filled interior, with sightlines stretching directly through to the private garden. The ground floor benefits from underfloor heating throughout and offers a beautifully balanced layout including a welcoming front living room which provides a cosy retreat for unwinding in the evening. There is also a versatile reception room currently arranged as a home office but equally suited as a fourth bedroom given the convenience of an adjacent shower room. The shower room itself is spacious and cleverly incorporates utility space with plumbing for a washing machine.

At the heart of the home lies the show stopping extended kitchen and living space. This open plan hub is designed for modern living, featuring a newly fitted peninsula kitchen with breakfast bar, a comfortable dining area with views over the garden and a relaxed seating zone for everyday family life. Bi-fold doors bathe the room in natural light and connect seamlessly with the outdoors.

Upstairs, a glass balustrade staircase leads to three beautifully presented double bedrooms. The principal bedroom enjoys the luxury of an en-suite shower room and direct sea views, while the family bathroom is a standout feature with a freestanding roll top bath and separate walk in shower. Generous eaves storage is also thoughtfully incorporated and the large loft area provides excellent additional storage space.

The landscaped garden is designed for both entertaining and play, with a paved terrace, central lawn and a raised decking area ideal for al fresco dining. A separate garage is fully wired, offering excellent storage or parking, but also giving future potential as a home gym or office. The driveway comes complete with wiring ready for an EV charger.

This home is also superbly placed for families, with both Blatchington Mill and Kings schools within walking distance, removing the need for the daily school run.

Offered to the market chain free, this home is the perfect blend of style, space and practicality in a sought-after Hove setting.
