Step inside this deceptively spacious family home, where modern design meets comfort and character. From the moment you enter, the quality of the recent renovation is clear, with every detail carefully considered to create a stylish yet practical living environment.

At the front of the property, two generously sized bedrooms look out onto the quiet residential street. Both are large enough to accommodate a double bed, with the principal bedroom benefitting from a contemporary ensuite bathroom featuring a walk-in shower framed with striking black tiles. The second front bedroom, currently set up as a home office, is equally versatile—perfect as a guest room, children’s bedroom, or study—flooded with natural light through beautifully shuttered windows.

The home flows seamlessly into the heart of the property, where a welcoming living/snug area awaits. The standout feature here is the bespoke, hand-built staircase, set at the centre of the space, complemented by solid oak parquet flooring, industrial-style light fittings, and elegant radiators. The atmosphere is both creative and cosy, making it the ideal space to unwind.

Beyond, the home reveals its true showpiece—an outstanding open-plan kitchen and dining room. Designed for both everyday living and entertaining, this extended space is fitted with high-spec appliances including a fully integrated double oven, grill, microwave, top-of-the-range inbuilt coffee machine, and a premium Italian Barazza hob and sink unit. Scandinavian-inspired finishes, ample storage, and expansive bi-fold doors leading to the garden create a light-filled, elegant space perfect for hosting or family gatherings.

On the opposite side of the living space lies a luxurious family bathroom by Boffi, complete with a freestanding tub and wide basin sink, both crafted from Boffi’s signature Crystal Plant material.

Upstairs, two further bedrooms occupy the top floor, with the larger room offering useful eave storage. The other bedroom is paired with another high-quality ensuite, featuring a chic walk-in shower and modern finishes throughout.

Situated in a highly desirable residential pocket of Hove, this property is perfectly placed for families. Blatchington Mill Secondary School is just 0.3 miles away, while Goldstone Primary is only 0.2 miles, both rated ‘Good’ by Ofsted. Local shops and everyday amenities are a short walk from your door, with the green open space of Hove Park just over a mile away. This is a rare opportunity to own a beautifully renovated home in a sought-after location.
