

Lowther Road

Brighton

mishons

Situated on the ever-popular Lowther Road in Brighton, this beautifully presented four-bedroom, two-bathroom Edwardian terraced home offers generous living space, elegant period character and a true turnkey opportunity.

Arranged over multiple floors, the property combines classic Edwardian proportions with tasteful modern updates, creating a home that is both stylish and practical. High ceilings, large bay windows and well-balanced rooms provide an immediate sense of light and space, while the excellent condition throughout means it is ready to move straight into.

The layout offers four well-sized bedrooms, ideal for families, home working or guest accommodation, alongside two contemporary bathrooms designed for comfort and convenience.

Lowther Road is a particularly sought-after address thanks to its prime location within Brighton. Residents benefit from easy access to local independent shops, cafés and amenities, as well as highly regarded schools. Excellent transport links, including convenient bus routes and nearby mainline rail connections, make commuting straightforward, whether into central Brighton, along the coast, or to London.

One of the key reasons this area remains so popular is its balance of lifestyle and practicality. The vibrant energy of central Brighton is within easy reach, yet the road itself retains a strong sense of community and a more relaxed residential feel. Green open spaces and the seafront are also easily accessible, offering the very best of coastal living.

This is a rare opportunity to acquire a substantial Edwardian home in one of Brighton's most desirable neighbourhoods – a property that perfectly blends character, comfort and location.
