Striking Refurbished Detached Home on Tennis Road, Steps from the Beach & Hove Lagoon

Having been comprehensively remodelled in recent years, this house now presents as a well-designed four bedroom, three bathroom family home, finished with meticulous attention to detail throughout. From the moment you step inside, the style, presentation and condition is immediately apparent.

The ground floor provides wonderfully balanced living space. A separate living room creates an elegant retreat, enhanced by bespoke fitted storage and a sophisticated colour palette that adds warmth and character. To the rear, the extended kitchen is a standout feature, thoughtfully designed with generous worktop and preparation space, a range of integrated appliances, with a sleek contemporary finish.

Flowing seamlessly from here is a spacious dining area, ideal for family life and entertaining, with impressive sliding doors opening directly onto the garden, allowing natural light to flood the space. A separate utility room and downstairs WC complete the ground floor accommodation.

On the first floor, there are two generously sized bedrooms and two bathrooms. The principal bedroom is particularly impressive, featuring a stylish en-suite shower room and a bay window offering delightful sea views. A well-appointed family bathroom serves the remaining bedroom on this level.

The top floor continues the home's well-balanced layout, providing two further excellent sized bedrooms and an additional contemporary bathroom, perfect for growing families or visiting guests.

Externally, the east facing rear garden is typical for the area, easily maintained and ideal for enjoying the morning sun. The location is superb, with Wish Park just around the corner, the seafront on your doorstep, and a range of highly regarded local schools nearby.

A truly eye catching home in an enviable position, offering style, space, and convenience in equal measure.
