A beautifully newly renovated lower ground floor apartment, thoughtfully designed to balance style, comfort, and practicality in the heart of Hove.

The heart of the home is a bright and inviting living space, enhanced by elegant glass Crittall-style doors that subtly separate the kitchen from the lounge. This clever addition creates a sense of distinction between the spaces while maintaining an open, sociable flow—perfect for both everyday living and entertaining.

The contemporary kitchen has been finished to a high standard, offering a sleek and functional environment with ample workspace. The adjoining living area provides a comfortable setting for relaxation, with a natural layout that maximises both light and usability.

The property features two well-proportioned bedrooms. The master bedroom benefits from its own en-suite bathroom, creating a private retreat, while the second bedroom is ideal as a guest room, home office, or additional sleeping space. A separate bathroom adds further convenience.

Additional features include useful storage and a welcoming entrance hall that enhances the sense of space and organisation.

Overall, this tastefully renovated lower ground floor apartment combines modern finishes with thoughtful design touches, delivering a stylish yet practical home with a warm, sociable feel.
